

City of stars

?

City of stars

There's so much that I can't see

?

I felt it from the first embrace I shared with you

That now our dreams

City of stars

Just one thing everybody wants

There in the bars

And through the smokescreen of the crowded restaurants

Yes, all we're looking for is love from someone else

A rush

A glance

A dance

A look in somebody's eyes

To light up the skies

To open the world and send it reeling

A voice that says, I'll be here

I don't care if I know

Just where I will go

'Cause all that I need is this crazy feeling

A rat-tat-tat of my heart

City of stars

Are you shining just for me?

City of stars

*Who knows*

*A touch*

*They've finally come true*

*Are you shining just for me*

*And you'll be alright*

*You never shined so brightly*

*Think I want it to stay*

*It's love*
