

Hot n' Cold – Katy Perry

TICK THE CORRECT OPTIONS

You change your HEART - MIND
Like a girl changes CLOTHES - BONES
Yeah, you PMS like a BEACH - BITCH
I would GO - KNOW
Yeah, you always THINK - SPEAK
Always THINK - SPEAK cryptically
I should HOPE - KNOW
That you're no good TO - FOR me

FILL IN THE GAPS

Chorus:

'Cause you're hot then you're
You're then you're no
You're in and you're
You're and you're down
You're wrong when it's
It's and it's white
We fight, we up
We kiss, we up
You, you don't really wanna, no
You, but you don't really wanna, oh

GO STAY YES OUT

COLD BLACK BREAK

RIGHT MAKE UP

Chorus

TICK THE CORRECT OPTIONS

We used to be just like TWINS - THINGS, so in sync
The same energy now's a dead BUTTERFLY - BATTERY
Used to LAUGH - CRY 'bout nothing
Now you're plain FUNNY - BORING
I should HOPE - KNOW
That you're not gonna GO - CHANGE

Chorus

You, you don't really wanna GO - STAY, no
You, but you don't really wanna GO - STAY, oh

Someone GET - CALL the doctor
Got a case of a BIPOLAR LOVE - LOVE BIPOLAR
Stuck IN - ON a rollercoaster
Can't get OFF - OUT OF this ride

You change your HEART - MIND
Like a girl changes CLOTHES - BONES

Chorus

You, you don't really wanna GO - STAY, no
You, but you don't really wanna GO - STAY, oh
