- Read the entire exam carefully before you answer.
- Follow the instructions as they are stated.
- No whiteout or pencil allowed
- If pencil is used no complains accepted
- The use of notebook notes or any other kind of help is not allowed.

WRITING PRODUCTION

Write a description of your favorite outdoor place. Follow the example and use the vocabulary seen in units 1 and 2. (40 WORDS MINIMUM)

My favourite outdoor place is my grandma's garden. I like it because there are lots of trees and flowers. It's a very quiet garden. I often sit under my favourite apple tree and listen to the birds. My little sister likes the garden too, but she's very noisy so the birds fly away.

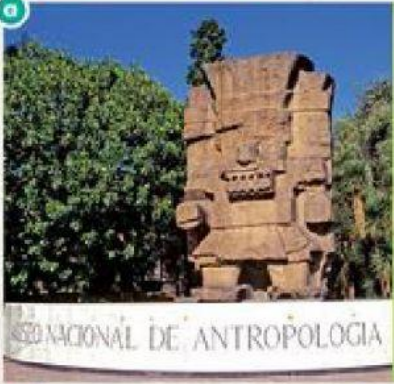

The total score for this part is 25
 25 Points
 Writing criteria:
 Cohesion:5
 Content:5

Grammar:5
 Spelling:5
 Order:5

READING

Read the text carefully and answer the questions

a

MUSEO NACIONAL DE ANTROPOLOGÍA

The National Museum of Anthropology in Mexico City has the largest collection of ancient Mexican pieces in the world, in 23 galleries. In the museum you can find wonderful exhibits of Aztec culture. The Aztecs lived in central Mexico and ruled a great part of it in the 14th, 15th and 16th centuries. One of the most famous exhibits in the museum is the Sun Stone. It was the calendar of the Aztecs. Another important exhibit is the mask of the Zapotecs. They lived in the south of Mexico and this mask is about 2,000 years old.

b

The Egyptian Museum in Cairo is the most famous museum in Egypt. It has a huge collection of more than 120,000 exhibits and there is a Royal Mummy Room with 27 mummies. When an important person died in ancient Egypt, people treated the body with chemicals and wrapped it in bandages. The Egyptians also put food and jewels with their mummies to give the dead people something to eat and wear in their next life. The most important exhibit in the museum is the gold mask of the Egyptian king Tutankhamun, who lived about 2,700 years ago.

Section A:

Complete the information about each museum. Drag and drop the correct answer to each place:
