

Comparatives

1. Read and listen to the text.

2. Choose S (South) or N (North).

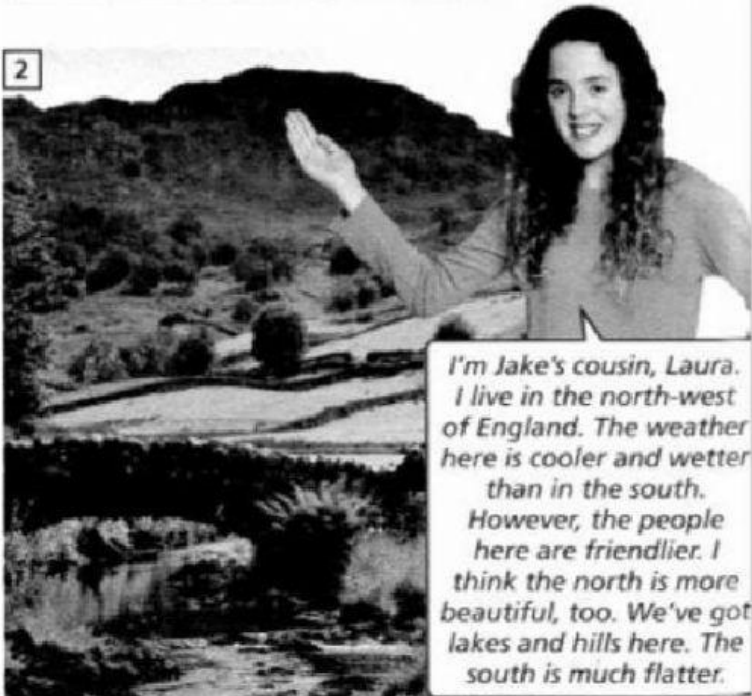

1

I live in the south-east of England. The weather in the south is nicer than in the north. It's warmer and drier. However, more people live in the south, so it's more crowded and things are usually more expensive.

- 1 The weather is cooler.
- 2 The weather is nicer.
- 3 It's warmer.
- 4 It's wetter.
- 5 It's drier.
- 6 The people are friendlier.
- 7 It's more crowded.
- 8 It's flatter.
- 9 It's more beautiful.
- 10 Things are more expensive.

2

I'm Jake's cousin, Laura. I live in the north-west of England. The weather here is cooler and wetter than in the south. However, the people here are friendlier. I think the north is more beautiful, too. We've got lakes and hills here. The south is much flatter.

Slike na levoj strani prikazuju prideve LONG (dugačak) i COLD (hladan), a na desnoj strani njihove komparative LONGER (duži) i COLDER (hladniji).

We use comparatives to compare things.

Koristimo komparative da poredimo stvari.

When we compare things we need to use **THAN** in the sentences. Kada poredimo dve stvari, koristimo THAN u rečenici. For example: *The north of England is colder **than** the south of England.* (na primer: Sever Engleske je hladniji **od** juga Engleske.)
