

## Writing: Organizing a Paragraph

Put the sentences in the correct order to form a paragraph, take into account the sequence words.

In the beginning,      At first,      Ten minutes later,      In the end,  
I was cleaning my house, when I saw a shadow  
I realized that it was one my cats. I laughed at myself!  
I thought that it was my dad walking past the house, but  
I received a call from him telling me that he was going to arrive late, so I got scared

One day,      Next,      After that,      Finally,  
He went home laughing at himself for getting scared of that little animal  
Sam was walking through a big forest alone when he heard a noise  
He decided to get close and look what it is, and it was a squirrel  
He saw sometime moving, so he thought it was an animal
