My last winter holiday:

Last winter holiday I visited my grandma. She lives in Mendoza, which is a beautiful province of Argentina. In Mendoza, there are big mountains covered with snow. The weather is usually freezing in winter. I travelled by plane with my parents and my older sister. We stayed there for a month. We didn't ski or climb mountains, but we played in the snow and made snowmen. I entered a competition and I won the 1st prize for the best snowman. I took a lot of photos. What I like most about visiting my granny is that she prepares the best hot chocolate milk! I want to go back to Mendoza again next holiday
