They tried to make me go to Rehab
But I said no, no, no
Yes I've been black but when I come back
You'll know, know, know
I ain't got the time
And if my daddy thinks I'm fine
Just try to make me go to Rehab
But I won't go, go, go

I'd rather be at home with Ray
I ain't got seventy days
'Cause there's nothing
There's nothing you can _____ me
That I can't learn from Mr. Hathaway

I didn't get a lot in class
But I _____ it don't come in a
shot glass

Chorus

The man said "Why you think you here?"
I said "I got no idea"
"I'm gonna, I'm gonna _____ my
baby"
"So I always keep a _____ near"

He said "I just think you're _____"
"This me, yeah baby, and the rest"

Chorus

Amy Winehouse was a truly timeless artist, one who significantly altered the landscape of popular music. The singer was a mercurial talent in every sense of the world, an icon that was more than just a performer but a kind soul that the world lost painfully too soon. Winehouse triumphed and pioneered a new approach to pop music, always striving to work entirely in her own lane and the release of 'Rehab' on October 23rd, 2006, took the world by storm and introduced her to a wider audience than ever before.

I don't ever want to _____ again
I just, ooh I just need a _____
I'm not gonna spend ten weeks
And have everyone think I'm

And it's not just my _____
It's just 'til these _____ have
dried

Chorus
