

Read the text below. For questions 1-10 choose the correct answer A, B, C or D.

In a hot air balloon

If you enjoy flying in unusual places, you have to visit Kamianets-Podilskyi and its air balloon festival. It all began 20 years ago and more and more people from Ukraine and other countries visit it every year. People also go to Kamianets-Podilskyi to see its famous old fortress, which is one of the seven wonders of Ukraine, along with the Smotrych River canyon and the Running Deer Bridge. It is hard to say how good the festival is. After the Championship, anyone can fly into the sky and fly over the city. The views are absolutely fantastic so make sure you have a full battery for your camera.

A typical balloon can carry eight people so there is not much space for the inside. Usually there is 1 pilot and 7 passengers. There are also 2 people who help on the ground. The maximum a balloon can carry depends on many factors, but there isn't much space for so you might want to leave bags, backpacks, etc. on the ground. If you to propose or want to have a romantic moment -a flight in an air balloon is the perfect choice. Just check it out!
