

Once I was years old, my mama told me
Go make yourself some friends or you'll be lonely
Once I was seven old

It was a big world, but we thought we were bigger
Pushing each other to the , we were learning quicker
By 11 smoking herb and drinking burning liquor
Never rich so out to make that steady figure

Once I was 11 years old, my daddy told me
Go get a wife or you'll be lonely
Once I was 11 years

I always had that like my daddy before me
So I started writing songs, I started writing stories
Something about the , just always seemed to bore me
'Cause only those I really will ever really know me

Once I was 20 years old, my story got told
Before the sun, when life was lonely
Once I was 20 years old

I only see my goals, I don't believe in failure
'Cause I the smallest voices, they can make it major
I got my boys with me atleast those in favor
And if we don't meet before I leave, I I'll see you later

Once I was 20 years old, my story got told
I was writing 'bout , I saw before me
Once I was 20 years

Soon we'll be 30 years old, our songs have been sold
We've traveled around the world and we're still roaming
Soon we'll be 30 years old

I'm still about life
My woman brought children for me
So I can sing them all my songs
And I tell them stories
Most of my boys are with me
Some are still out seeking glory
And some I to leave behind
My brother I'm still sorry

Soon I'll be 60 years old, my daddy got 61
Remember life and then your life a better one
I made the man so when wrote a letter once
I hope my children come and visit, or a month

Soon I'll be 60 years old, will I the world is cold
Or will I have a lot of children who can warm me
Soon be 60 years old

Soon I'll be 60 years old, will I think the world is cold
Or will I have a of children who can hold me
I'll be 60 years old

Once I was seven years old, my mama told me
Go make some friends or you'll be lonely
Once I was seven years old

Once I was seven old
