I'M LONELY, SO LONELY!

Kenn Nesbitt

I'm lonely, so lonely, I'm always alone!

I never get emails, or texts on my phone.

I sit by myself in my room every day,
and wonder why nobody wants to go play.

My classmates avoid me, they never say, "Hi."
They don't even know that I'm a wonderful guy.

And even the strangers I see on the street,
go out of their way to make sure we don't meet.

They jump and they run to get out of my path,
I guess maybe this year I'll take my first bath.
