

## Chapter 5.7 - Is it good or bad?

Read the story then find the correct answer.

Catherine was a very educated girl and she always came first in class. All her class mates loved her, except for Jason. He used to do everything in his power to make fun of Catherine. He used to say, "Catherine isn't going to be happy forever, she will be sad some day!"

1. Jason was a *kind* *cruel* boy.

2. Catherine's friends loved her because she was  
*proud* *well-educated*.

3. Jason's words were *right* *wrong*.
