

Angol emelt érettségi - listening (2018 tavasz)

TASK 1

In this section you will hear a woman talk about her favourite singer.

- Your task is to decide whether the following statements are true, false or we do not know because the text does not say, and write the appropriate letter in the boxes on the right. Write **A** if the statement is true, write **B** if the statement is false, and write **C** if the text does not say.
- First, you will have some time to look at the task, and then we will play the whole recording in one piece.
- After that, we will play the recording for the second time, but now in shorter sections and with breaks between the sections in order to give you enough time to write down your answers.
- **A = TRUE B = FALSE C = THE TEXT DOES NOT SAY**
