ENGLISH EXAM – APRIL 2021

Read the text below and mark the correct alternative. (Leia o texto abaixo e marque a opção correta)

Paris, France

Paris is the capital of the country of France and is located in northern France. It has long been one of Western Europe's major centers of culture and business. Some of the world's greatest artists, writers, scholars, fashion designers and chefs have lived in Paris. The city is also famous for its beauty. The Seine River flows through the city center. The French consider cooking an art, so if you are eating in France be prepared for a lot of food – and good food.

Paris industries also produce items such as perfume, furs, gloves, toys, clothing and other goods. Heavier industries are situated in the suburbs. These include the manufacture of automobiles, machine tools, electric and electronic products, chemicals and processed foods. Tourism is one of the city's largest important source of economy. One of Europe's most visited city, Paris is called the "City of Light".
