Forum: World Teacher's

On World Teacher's Day we asked our readers to tell us about their favourite teachers. Here are some of your answers.

'My first teacher was Mrs. Davies. I was four years old. She was tall and had long dark hair. I went to a small village school and she was my teacher for three years. I can't remember what she taught me, but I can remember her smile. She always smiled!'

'My favourite teacher was Mr. Morgan. He taught me science at secondary school when I was about 13 or 14. He had grey hair and a big beard. He always looked very serious but he had a great sense of humour! He loved science and he loved teaching. He was the best teacher I ever had.'

'Dani was a Spanish student. He was 21. He came from Madrid and he was a language assistant at our school for a year when I was 16. He was great fun. He told great stories and showed us photos and videos of his life in Madrid. I loved his classes so much I decided to study Spanish at university!'
