your future hobbies	the future of your city	your ambitions
the future of Spain	your future studies	the near future
the distant future	you in 2030	you in 2050
your next holiday	future food and drink	transport in the future
your future appearance	the future of schools and education	future weather (think about climate change)
the future of architecture and buildings	robots and technology	people's health in the future
clothes in 100 years	holidays in the future	

I think (it/they/...) 'll _____ - I think clothes will be the same.

(It)'ll definitely/probably _____ - They'll definitely be the same

(It) definitely / probably won't _____ - They probably won't be the same

(It) might (not) _____ - They might not be the same

(It's/They're) (not) going to _____ - They're going to be the same because fashion goes in a cycle – we're back in the 1980s at the moment! (be going to because you have "evidence")
