

Read each sentence. Write down the verb in the sentence

Example: I love my family. Love

1. My daughter goes to school every day. _____
2. They came to California 2 years ago. _____
3. What is your name? _____
4. We make dinner at 7pm. _____
5. It is raining. _____
6. It is snowy. _____

Write the missing be verb in the blank. Every sentence needs the verb 'to be' in the present tense.

Example: We are going to school.

1. Maya _____ a student.
2. She _____ studying German.
3. We _____ in the same class together.
4. You _____ also a student.
5. Our friends _____ not in the class with us.

Read each sentence. Write if the verb is simple present or simple past

Example: We ate dinner. Past
I like chicken. Present

1. It rained all night. _____
2. We made dinner. _____
3. She went to school. _____
4. I had a bad day. _____
5. He is a teacher. _____
