Hi! I am Mary. I have dreams and hopes for the future. I definitely want to do everything for my life. I want to be successful so the first thing I will do is a good university in my 20's. I believe I will have excellent job in 10 years. I want to help people in need. I love working hard so I predict I . I also want a happy family. Probably I in my 30's and have two children, a boy and a girl. Then I guess I in a peaceful countryside.

I predict I , because I am not interested in cars. Children love animal so much. I . I hope I can make my dreams come true.

Mum says I will definitely do all of them.
