

A Bad Case of Stripes

Fact and Opinion

Facts	Opinions

Camilla had a case of stripes.

Camilla did not want to go to school.

Her Mom was concerned and called the doctor.

I believe that the doctor was a silly man.

I think that Camilla was faking being sick.

Camilla wanted to eat lima beans.

Lima beans are yucky.

The kids teased her at school.

Camilla was the most unlucky little girl.

I feel that you should always be true to yourself.
