

# International Safer Internet Day

Asha and her dad are talking about an interesting lesson Asha's just attended. **Choose** the correct option to **complete** the dialogue.

**Dad:** How was your day?

**Asha:** Good, thanks. We 1..... a very interesting class today because it was International Safer Internet Day.

**D:** I 2..... about that before. What 3..... today?

**A:** We did a fun quiz 4..... talked about social media 5..... I got most of the answers right because I often 6..... my privacy settings carefully so only people 7..... I know can see my 8.....

**D:** That's really good. Maybe I should take a look at my 9..... settings too.

**A:** Yes. These days hackers 10..... it easier to steal information because we're also exposed in the photos 11..... we are tagged in.

**D:** Have you got more tips?

**A:** Yes. Be careful when using hotspots 12..... owner you don't know. Hackers can create a 13..... with a similar name and take your personal 14.....

**D:** Oh, no! I 15..... them all the time! How can I check?

**A:** You should always ask the people 16..... run the café for the real network name and its 17.....

**D:** That's a good idea! Can you help me change my privacy 18.....?

**A:** I 19..... my homework right now but I can help you in a few minutes, okay?

**D:** Thanks! I 20..... to start using your tips!
