

Would You Rather...?

Language

"Would you rather...?" → This means Which one of these do you prefer?

"I'd rather... /I would rather..." → This means I prefer...

Example: A: Would you rather eat cookies or cake?
B: I'd rather eat cake because cookies are small
and one is not enough. I always eat too many. Cake is
special because you never eat cake alone. We have...

Exercise: Answer the question and explain your answer. (5-6 sentence paragraph)

Would you rather have

\$100,000 real money?

\$1,000,000 in Amazon gift cards?

or

Blank area for writing the answer and explanation.
