## READ

Read the text and answer the questions.

*Twitter* is one of the most popular and fastest growing websites in the world today. In fact, it's the third most popular social networking website on the Internet after *Facebook* and *MySpace*. *Twitter* isn't just about finding friends online. It's about getting the latest news as fast as possible. Many people call it the "SMS of the Internet." *Twitter* is something like a blog and a news site. You receive updates as soon as someone puts them on *Twitter*. When you get a new update, or "Tweet," the website sends it to your mobile, too. That way, you know what's happening in the world before anyone else! The website started in 2006 and *Twitter* already has about 5 million users, including presidents, politicians, celebrities, and college professors. *Twitter* is going to be one of the most important ways of communicating and receiving news in the future.

1. What can you do on *Twitter*?

---

2. What is another name for *Twitter*?

---

3. How can you receive an update on *Twitter* if you are not near a computer?

---

4. How many people are using *Twitter* today?
