

# BENDING WATER

When you rub a balloon with a woollen cloth, \_\_\_\_\_ charges pass from the \_\_\_\_\_ to the \_\_\_\_\_.

The balloon is \_\_\_\_\_ charged, so it attracts the \_\_\_\_\_ which has a different electric \_\_\_\_\_.

Complete the texts with the following words:

charge - negative - balloon - negatively - wool - water

NOW, YOU CAN TRY THIS SIMPLE EXPERIMENT AT HOME. IF YOU DO NOT HAVE A WOOLLEN CLOTH, YOU CAN RUB THE BALLOON ON YOUR HAIR.
