

SOME SAY by Nea

I will find the time, we will find the _____

'Cause you are on my mind, I _____ that you don't mind it
You _____ that I want you, you know that I want you next to me
But if you need _____ space I will step away

And I know it might _____ stupid but for me, yeah yeah
I just gotta keep _____ and I've heard

Some say you will love me one day
And I will wait, I will wait to get your loving one day
Just say you will love me one day
And I will wait, I will wait to get your loving one day

I promise that I'll try, that I will try to _____ someone
And there's so many guys, who told me I _____ someone
I wanna call you up but _____ it will only make it worse
I _____ that I just don't know what to do with myself

'Cause I know it might _____ stupid but for me, yeah yeah
I just gotta keep _____ and I've heard

Some say you will love me one day
And I will wait, I will wait to get your loving one day
Just say you will love me one day
And I will wait, I will wait to get your loving one day

Just say you'll love me one day
Just say you'll love me one day

I'll give you space to the _____ if it's what you need
Just say you one day will _____ back yourself to me

Some say you will love me one day
And I will wait, I will wait to get your loving one day
Just say you will love me one day
And I will wait, I will wait to get your loving one day

Just say you'll love me one day
(Just say you'll love, just say you'll love me one day)
Just say you'll love me one day
