Although my town is small, there's a lot to do. This weekend, I went to a really interesting art <sup>1</sup>\_\_\_\_\_ at the gallery near my house. I saw some beautiful paintings. I met the <sup>2</sup>\_\_\_\_\_ and it was really interesting hearing him talk about his work. My city is also famous for music. There's a festival every year, and many <sup>3</sup>\_\_\_\_\_ from different countries come to play. There's a small jazz club near my house, too. It stays open late and has great <sup>4</sup>\_\_\_\_\_. If you prefer classical music, you can see an <sup>5</sup>\_\_\_\_\_. I love the music – when I was younger I wanted to be an opera <sup>6</sup>\_\_\_\_\_. It didn't happen, but I still love watching and dreaming!
