### Grandma and her Mittens

Grandma Koko is passionate with her sewing skills. I find it hard to believe that many of my friend's grandmas don't know how to sew. Koko says it's easy to sew because all you have to do is cross the thread over and over but for me it's still hard to understand. She makes mittens often because that was the first thing she learned to sew when she was a young girl. I'm not really interested in sewing but I find it amazing how she makes everything so soft and pretty. Another thing that blew my mind was when I found out the cost of the things she sells. I may not have the same skill as grandma Koko but I will always admire her and cheer her on.
