7  2.09 Listen to an interview with a scientist, Dr Smith, and complete the notes.

Dr Smith thinks that the world will be a <sup>1</sup>  place in the future. More people will work from <sup>2</sup>  and robots will do a lot of the <sup>3</sup>  jobs. People won't have flying <sup>4</sup> . But people will be driving <sup>5</sup>  cars. People probably won't <sup>6</sup>  on other planets for a very long time. Dr Smith doesn't know what <sup>7</sup>  people will be listening to. These things are <sup>8</sup>  to predict.
