WRITING

1. Write about your favourite food.

(Ayúdate el ejemplo)

My favourite food is fish and chips. Fish and chips is a traditional British dish. It's made from fish and potatoes. There are special shops in Britain that sell fish and chips. We often have fish and chips when we go to the beach.

I love chicken curry. It is a traditional Indian dish. My mum makes it on Sundays. It's made from chicken and spices. Mum puts yoghurt in it too. You eat it with rice. It's delicious.
