

A smartphone is shown from a top-down perspective, displaying a text message conversation. The screen is white with a black border. There are four text bubbles: two blue ones on the left and two yellow ones on the right. The blue bubbles contain the text 'Hello !', 'What is your name?', 'How old are you?', and 'Nice to meet you. Bye'. The yellow bubbles are empty, representing where the user would type their responses.

Hello !

What is your name?

How old are you?

Nice to meet you. Bye
