### My Classroom

Dear friends....

I am Della .I am 12 years old and I am from Kupang, East Nusa Tenggara. I am in 7A.

Let me tell you about my classroom. My classroom is big. *There are* twenty tables in my classroom. *In front of* the class *there is* a teacher's table and a teacher's chair. *There are* two pictures and an Indonesian map on the wall. *In front of* the class in the corner, *there is* a flag. *Near* the door, *there is* a dustbin. In my classroom *there aren't* any bookshelves but *there is* a cupboard.

I like my classroom very much because it is clean. We clean it every day. I usually clean it on Friday.

Please write and tell me about your classroom.

Yours truly,  
Della
