

Name: _____ Class : _____ Date: _____

Complete the sentences with the phrasal verbs form the box and the objects in brackets

Note

- With most transitive phrasal verbs, the object can come before or after the particle.
She picked up **the book**./She picked **the book** up.
- However, object pronouns (e.g. *it, him, her*) must come before the particle.
She picked **it** up.

- ask out • check out • find out • give back
- pick up/put down • put on/take off • switch on/off
- turn on/off • turn up/down
