

## Listen to the song and fill in the gaps

If the rain comes, they run and hide their

\_\_\_\_\_

They might as well be dead

If the rain comes, if the rain comes

When the sun \_\_\_\_\_ they slip into  
the shade

(when the sun shines down)

And sip their \_\_\_\_\_

(when the sun shines down)

When the sun shines, when the sun shines

Rain, I don't mind

Shine, the weather's \_\_\_\_\_

I can show you that when it \_\_\_\_\_ to  
rain

(when the rain comes down)

Everything's the \_\_\_\_\_

(when the rain comes down)

I can show you, I can show you

Rain, I don't mind

Shine, the weather's fine

Can you hear me, that when it rains and

\_\_\_\_\_

(when it rains and shines)

It's just a state of \_\_\_\_\_?

(when it rains and shines)

Can you hear me, can you hear me?
