

A Use the words in the box to complete the information about three environmental charities in the UK. Have you heard of similar charities in your country? If so, give details.

environmental injured nutritious reclaiming resources re-use species surplus

Every year in Britain, over five million wild animals and birds are ¹ _____ as a direct result of their encounters with man's world. Tiggywinkles is a specialist hospital, dedicated to rescuing and rehabilitating all ² _____ of British wildlife using all available veterinary expertise. We treat over 10,000 animal casualties every year, all of them free of charge. Our doors are open 24 hours a day, 365 days a year.

Children's Scrapstore provides a unique service. We collect clean, safe, colourful surplus business supplies, such as paper, paint, pens and fabric. We then make these materials available as low-cost ³ _____ for creative activities to voluntary and community groups working with children, young people, and therapeutic communities. We support and promote creative play, educational and artistic activities, ⁴ _____ sustainability and the ⁵ _____ of unwanted materials.

FoodCycle is a young, national charity that combines volunteers, ⁶ _____ food and spare kitchen spaces to create meals for people at risk from food poverty and social isolation.

Our main aims are to:

- reduce food poverty by providing ⁷ _____ meals to vulnerable groups.
- build stronger communities and diminish social isolation through communal dining.
- decrease food waste by ⁸ _____ it for use.
- empower volunteers to develop skills and create positive social change in their communities.
