

## What's your favorite kind of music?

### Milena, Italy.

Music is very important for me. I usually listen to music when I'm on the train, on my way to work. I use an app called **Youtube music**. I have a lot of playlists there. I love pop music but I don't like rock. My favorite singer is Laura Pausini.

### Paulo, Brazil.

Music is part of my routine. I wake up at 6:00 am everyday, I select a workout playlist on the app **Spotify**. I listen to electronic music while I run on the treadmill. It's amazing. I love electronic/dance music, but I don't like reggae. My favorite artist is Alok, he is a Brazilian DJ.
