VOCABULARY UNIT 7

Write the correct word according to each definition

1. You use your mouth to do this. When you've finished, you tie them up and you sometimes tie string on them, too.

2. You do this to invite people to an event, like a party. You write them and then you post them.

3. You need to use water and a cloth or a sponge for this job. You do this to make things in a room clean again.

4. You do this when you have to buy something. You need some bags and some money. You can buy all kinds of things: food, clothes, books ...

5. To do this, you need to pour something into a glass and give it to someone. You can also do this by carrying the glasses on a tray.

6. You usually use butter, eggs, flour and sugar to do this. You also use an oven to bake it.

7. This is something you do before an event, like a fair or a show. You usually give people a piece of paper and they give you some money to pay for the event.
