Picture yourself a boat on a river,
 tangerine trees and marmalade skies.

Somebody calls you, you answer quite slowly,

A girl kaleidoscope eyes.

Cellophane flowers yellow and green,

Towering your head.

Look the girl with the sun in her eyes,

And she's gone.

Lucy the sky with diamonds,

Lucy the sky with diamonds,

Lucy the sky with diamonds... ahh

Follow her to a bridge a fountain,

Where rocking horse people eat marshmallow pies.

Everyone smiles you drift past the flowers,

That grow so incredibly high.

Newspaper taxis appear the shore,

Waiting take you away.

Climb the back with your head the clouds,

And you're gone.

Picture yourself a train in a station,

With plasticine porters looking glass ties.
