

# Changes in the States of matter

When we prepare the recipe, we could see some changes. Can you identify them?

**Butter in a hot bread**

Melting      Evaporating  
Freezing      Condensing

**Hot water for tea**

Melting      Evaporating  
Freezing      Condensing

**Making Ice cubes**

Melting      Evaporating  
Freezing      Condensing

**Ice cubes in hot tea**

Melting      Evaporating  
Freezing      Condensing
