

"Hi my name is Ray. I'm 30 years old and I'm from Cork, Ireland. I have blue eyes and blue hair, because I dyed it. I live with my family and 2 younger brothers. Their names are Paul and Leo. I love cooking and I love to play video games during the weekends when I have time. During the weekdays I go to work as a PE teacher. I teach Grade 9 and Grade 10 mostly. I do enjoy it, but I'd like to work on creating my own video games one day."
