

Things I'll never say by Avril Lavigne

Watch and listen

I'm _____ at my hair

STARING

Yeah

I'm _____ at my clothes

TRYING

CHORUS If I could say what I want to say

I'm _____ to keep my cool

TRYING

I'd say I want to blow you, away

I know it shows

TUGGING

Be with you every night

I'm _____ at my feet

PULLING

Am I _____ you too tight?

My cheeks are _____ red

If I could say what I want to see

I'm searching for the words inside my head

I want to see you go down

'Cause I'm _____ nervous

FEELING

On one knee

_____ to be so perfect

TURNING

Marry me today

'Cause I know you're worth it

WISHING

Guess, I'm _____ my life away

You're worth it

SQUEEZING

With these things I'll never say

It don't do me any good

So why can't I just tell you that I care

It's just a waste of time

What use is it to you

What's wrong with my tongue

What's on my mind

These words keep slipping away

If ain't coming out

I stutter, I stumble

We're not going anywhere
