REASONS

EVIDENCE

For one thing, pigs hate to march.

Even if pigs wanted to hold the balloons instead of finding filthy puddles on the street to lie in, they couldn't do it.

Pigs have horrible taste in music!

Even if you are able to find enough majorette uniforms for all your pigs, just try getting those hundreds of pigs to put them on.

Also, pigs absolutely refuse to wear majorette uniforms.

They prefer to snuffle, which is kind of like walking with your nose.

Pigs can't hold balloons for the parade.

They will play sad, sad country music ballads with titles like "My Tears Are Wet 'Cause My Mud's Gone Dry".
