

House Problems Conversations

Part A: Look at the house problems below and decide who should fix them and how serious is the problem.

1. **Who should fix it?**
How serious is it?

2. **Who should fix it?**
How serious is it?

3. **Who should fix it?**

5. **Who should fix it?**
How serious is it?

Part B: Look at the house problems below and draw a line matching the picture to the reason it is a problem.

If there is a fire, my family is in danger.

We only have one toilet in the house.

It is dangerous to leave my door unlocked.

They have diseases and bite.

There is water everywhere and it is making a mess.

It is very cold and my pipes could freeze.

Part C: Look at the schedules below and decide if you are available on the different days and times.
