UNA A LETRA C COM CADA VOGAL E FORME AS SÍLABAS:

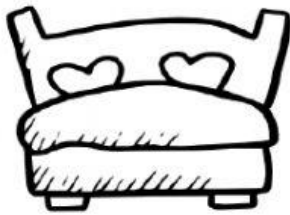

The diagram illustrates the formation of syllables by combining the letter 'C' with five different vowels. On the left, a box contains the letter 'C'. Five arrows point from this box to a vertical column of five boxes, each containing a vowel: 'A', 'E', 'I', 'O', and 'U'. To the left of the 'C' box and between the 'A' and 'U' boxes are two small line drawings of a car. To the right of each vowel box is an empty rectangular box, with an arrow pointing from the vowel box to it. This setup is designed for a student to write the resulting syllable in each empty box.
