Read the text below and check that you understand the meanings of the words and phrases in bold. Use a dictionary to help you.

"No man is an island, **entire** of itself". So wrote a famous English poet hundreds of years ago. Today, human beings need other people just as much as in the past. We can **connect** electronically through **social networking sites**, or in person. Young people travel to other countries, to form connections by working on **community projects** and taking part in **adventure challenges**. Sometimes we have an important **message** to get across to others. One **powerful** tool which helps us to do this is **drama**. In a quieter way, we can connect with ourselves and our own past **experiences** through the **memories** we store in our brains.
