Online shopping

My name is Sara, and I love shopping online.

I love shopping so much! I get food, electronics, books, and even large pieces of furniture like my sofa and bookshelves - all online! But I still prefer getting clothes from a store so I can try them on to be sure they fit me fine.

Yesterday, I bought a birthday present for my mother, and it arrived today! That saves me a lot of time. I am a very busy person.

My friends don't like buying things online because they think that it can be dangerous. Of course, bad things sometimes happen, but I am very careful. It is important to be sure that the web page is secure. You can see this if the address has got an "s" in it, like https://. That "s" means it is safe.

People should not be afraid of shopping online. I think it will be the only way we will do our shopping in the future!

Sara hates shopping online.

Sara never buys furniture online.

Sara doesn't buy clothes online.

Sarah bought a present yesterday.

Sara has a lot to do.

Sara's friends love shopping online, too.
