The image displays a worksheet for a matching exercise. The top row features four ant hills, each with a mathematical expression: $3 + 3 + 3 + 3$, $4 + 4 + 4$, $2 + 2 + 2 + 2$, and $4 + 4$. The bottom row shows four groups of ants, each with a different count: 6, 5, 8, and 4. The task is to draw lines connecting each ant hill to its corresponding group of ants.
