Date: _____

Math Quiz

1) Write the numbers and number sentence:

a)

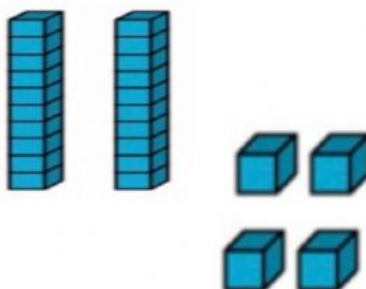

Three vertical rods (tens) and six small cubes (ones) arranged in two rows of three.

TENS	ONES

_____ + _____ = _____

b)

Two vertical rods (tens) and four small cubes (ones) arranged in two rows of two.

TENS	ONES

_____ + _____ = _____

TENS	ONES

_____ + _____ = _____

TENS	ONES

_____ + _____ = _____

TENS	ONES

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

TENS	ONES

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

2) Write the value of each digit:

TENS	ONES
7	2

_____ + _____ = _____

TENS	ONES
8	1

_____ + _____ = _____

TENS	ONES
5	4

_____ + _____ = _____

TENS	ONES
9	0

_____ + _____ = _____

TENS	ONES
6	5

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

TENS	ONES

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

3) Problem Solving:

- There are 20 apples in the basket. Sam picks 5 more apples. How many apples are there in all?

$$\underline{\hspace{2cm}} \boxed{\hspace{1cm}} \underline{\hspace{2cm}} = \underline{\hspace{2cm}} \text{ apples.}$$

- There are 10 learners in the playground. 10 more learners join them. How many learners are there in all?

$$\underline{\hspace{2cm}} \boxed{\hspace{1cm}} \underline{\hspace{2cm}} = \underline{\hspace{2cm}} \text{ learners.}$$
