

Lesson 6 Find out more Facts about water

1 Before you read

What do plants need to live and grow?
What do animals need to live and grow?

131 2 Read and listen

We all need water

All living things need
Plants need water to grow.
Animals need water to drink.
People need water to drink, too.

Life without water

Water comes from and
When there is no rain, the land
becomes and Plants can't
grow. Animals and people don't
have water to drink.

Life with water

When rain comes, the land becomes
 again. Plants can grow again.
Animals and people have water to
drink again.
All living things need water.
