2. Listening

A TV journalist is at a shopping centre. She wants to ask people some questions about their free time activities. Listen to what two people say and circle the activities they talk about.

making a cake	going shopping
doing homework	going out with my friends
taking the bus	playing the guitar
spending time with my family	reading a good book

Can you remember:

1. Which activities does the man talk about?
2. Which activities does the woman talk about?

Listen again and circle the words the speakers use to describe each activity.
