"Dreams"

Langston Hughes

What do you think this line means?		
 Hold fast to dreams		
hold dreams in your hands	**don't give up on your dreams**	**forget about your dreams**

What happens when dreams die?		
 For if dreams die  Life is a broken-winged bird  That cannot fly.		
you will get a pet bird	**birds will fall from the trees**	**life will be disappointing**

What happens when dreams go?		
 For when dreams go  Life is a barren field  Frozen with snow.		
life will be dreary and difficult and cold	**winter is coming**	**your grass will stop growing in your yard**
