

\_\_\_\_\_ it's a magic number  
Yes it is, it's a magic number  
Because two times \_\_\_\_\_ is \_\_\_\_\_  
And three times \_\_\_\_\_ is \_\_\_\_\_  
And the eighteenth letter in the alphabet is \_\_\_\_\_  
We've got three r's we're going to talk about today  
We've got to learn to  
Reduce, reuse, recycle...

If you're going to the market to buy some \_\_\_\_\_  
You've got to bring your own \_\_\_\_\_ and you learn to reduce your waste  
And if your \_\_\_\_\_ or your sister's got some cool clothes  
You could try them on before you buy some more of those  
\_\_\_\_\_, we've got to learn to reuse  
And if the first two r's don't work out  
And if you've got to make some trash  
Don't throw it out  
\_\_\_\_\_, we've got to learn to recycle,  
We've got to learn to  
Reduce, reuse, recycle...

Because \_\_\_\_\_ it's a magic number  
Yes it is, it's a magic number  
Three, three, three  
Three, six, \_\_\_\_\_, twelve, \_\_\_\_\_, eighteen, \_\_\_\_\_ twenty four, twenty seven, \_\_\_\_\_, thirty three,  
\_\_\_\_\_, thirty, \_\_\_\_\_, twenty four, twenty one, \_\_\_\_\_, fifteen, \_\_\_\_\_, nine, \_\_\_\_\_  
Three, is the magic number
