Hi Sam,

My sister and I are really enjoying our new school. You can do lots of different sports here. We all (41) choose two different sports. I'm doing judo and basketball. I'm on the team for both sports so I go to the sports hall almost every day after (42) school.

My sister (43) go there so often. She only (44) go there twice a week – on Wednesday afternoons and Saturday mornings. She's doing tennis and gymnastics. In our old school, there was no choice: all the boys (45) play football and all the girls (46) play hockey.

At my school now, football is very popular, but you (47) play it if you don't want to. My sister is very happy because she (48) play hockey here – she hated it at our old school. At least she wasn't in the hockey team, so she (49) go to matches at the weekends. She's in the tennis team at this school, so she (50) spend a lot of time practising and playing matches. How are things with you?

All the best,

Tom
